

OUR VISION

Our corporate vision is a simple one; we strive to be the best at what we do for each and every one of our customers and partners. In order to accomplish this vision we have three guiding principles:

Selective recruitment - Whether individuals come to us fresh out of college or have become well established in their field, we strongly rely on references and reputation in our recruiting process.

Investment in our people-IITC supports opportunities for our employees that focus on their strengths and capabilities to enable us to take on complex tasks for our customers.

Selective in the opportunities we seek- We focus on efforts that are within our ability to deliver and strategically team with other partners to expand our capabilities and expertise unique to our customers.

Who is IITC?

IITC is a small, woman owned company providing Information Technology support services to the intelligence community as well as other U.S. government agencies. As a small business, we pride ourselves in providing highly experienced personnel to support our clients.

Our strong character has helped to build solid relationships with highly reputable companies on various projects. IITC has partnered with such reputable companies as AT&T Government Solutions, CACI, Northrop Grumman, ManTech, CRSA and others on various projects. These relationships are important to ensure future growth and continuing opportunities for our company and our employees.

Our employees are the foundation of our company. Our personnel are equipped with a diverse set of skills and technical capabilities; emphasizing strengths in telecommunications technologies and system support. We encourage and foster their professional development. We provide avenues for continued growth in such areas as Program Management Professionals (PMP) and the Information Technology Infrastructure Library (ITIL), Cisco Certified Network Associate (CCNA), as well as 8570 certifications such as CompTIA Network+, Security + and CISSP.

Our team works very hard and as a result provides a magnitude of support to our customers. We work hard so we can play hard. Come grow with us!

COME GROW WITH US!

Some of IITC Benefits

IITC offers competitive benefits for all employees, both full time as well as part time.

We have 10 paid holidays, very competitive PTO as well as employee's Birthday holiday! We also offer time off for, Jury Duty, Bereavement limited to immediate family, and Military Reserve Obligations.

Health Insurance through Blue Cross and Blue Shield plus Dental, Vision, and Prescription Drug coverage is available for all full-time and part-time employees.

IITC will pay Health Care Plan premiums up to 75% for self and 50% for family. No Cost life insurance coverage includes Short-term and Long-term disability, and Supplemental Life Insurance.

We encourage self development and have an Educational Assistance program that provides up to \$3,000 per year for successful completion of college courses (B or better). Or, up to \$3,000.00 to be used in pursuit of continuing education, such as technical seminar, industry conference, certification or boot camp, payable upon successful completion of certification test (s), or other or other authorized professional development opportunity.

IITC 401K Plan matches 100% of the employee contribution up to a 4%. Thereafter, the employee may participate up to the IRS maximum. Employees are 100% vested from their start date.

We also offer a rewarding Referral Program. Referral Bonuses will be provided upon 3 months of successful employment of the referred candidate. The first time bonus is \$1,000, and increases by \$250 per referral. Managers can also award you with On-the-Spot Awards for exceptional service and superior customer service.
